Subject: Oklahoma Requirements for Swine Exhibition

The purpose of this memo is to assist you in following regulations when holding a swine exhibition in your school, town, county, district, region or state.

PRIOR TO THE SHOW:

1. The location of the exhibition must have a Premise ID.
 - a. Issued to the owner or the agent of the owner for a facility.
 - b. May be obtained at <http://ok.locatein48.com/registration.html> or by calling 405-522-6124.
 - c. To expedite issuance of a premise ID you may download the registration form and submit it to ODAFF Animal Industry via fax or mail. (Fax 405-522-0756).
2. All exhibitions must submit a Swine Exhibition Permit Application
 - a. May be obtained at <http://www.oda.state.ok.us/forms/ais/swineexib.pdf> or by calling 405-522-6124.

AT THE SHOW:

It is the responsibility of the show management to check for appropriate documents on each animal to ensure it meets health requirements and to record the Premise ID number for each exhibited hog.

1. Health Documents
 - a. Oklahoma Swine
 - i. Shall have individual identification (ear notch or official ID*).
 - ii. Shall be accompanied by an official test chart with the negative results for Pseudorabies and Brucellosis (after June 1 each year for fall exhibitions and after December 1 each year for spring exhibitions), or
 - iii. Originate from a validated/qualified (V/Q) herd and be accompanied by a Certificate of Veterinary Inspection (CVI) listing each animal with ID (ear notch or official*), the V/Q herd numbers and the date of the last official quarterly test**.
 - b. Out-of-State Swine:
 - i. Shall have an official ID*, and
 - ii. A CVI for each exhibition listing the individual ID for each animal.
 - iii. The CVI shall include either the negative result from an official Pseudorabies and Brucellosis test within thirty (30) days prior to each exhibition (test chart attached) or
 - iv. The qualified Pseudorabies/validated Brucellosis herd numbers and the date of the last quarterly test**.
 - c. *Official ID shall consist of any official tag approved by USDA and the State Veterinarian, including 9 character metal ear tag or any approved 15 character NAIS electronic or visual ear tag.
 - d. **V/Q herd owners and immediate family members of herd owner
 - e. Individual shows may have additional entry requirements such as CVI, individual swine identification, or testing and vaccinations.

2. Swine Exhibitor Premise ID recording requirement examples:
 - a. One Premise ID for all swine kept at a location.
 - i. If a family has three (3) children showing a total of eight (8) hogs and all are kept at the family farm, only the family farm Premise ID is required.
 - ii. If the family allows the child of a friend or a relative to house the hog at the farm, the friend or relative uses the ID of the farm where the hog is housed.
 - b. One Premise ID is required for an “Ag School Farm.”
 - i. If fifteen (15) students have 22 hogs at the facility, all exhibits will list the Ag School Farm Premise ID.
 - ii. If a hog is kept at the AG School Farm and then moved to the student’s home location, the home location must have a Premise ID for the student to show.
 - c. If a breeder sells a hog to a student and allows the student to keep the hog at the breeder’s farm, that breeder must have a Premise ID and the student will use the breeder’s Premise ID to show.
3. Please review the document **Biosecurity Recommendations for Management of Swine at Exhibitions, Sales and On-Farm.**

AFTER THE SHOW
