### Oklahoma Apiary Entry Policy

This application must be accompanied by an inspection certificate issued by the state of origin. All bee colonies entering the State of Oklahoma must have been inspected by an official apiary inspector and, if necessary, treated for Varroa Mite and Tracheal Mite with an EPA approved pesticide.

The inspection procedure for American Foul Brood must be conducted in a manner outlined by the Apiary Inspectors of America. Bee colonies infested with American Foul Brood must be satisfactorily controlled or destroyed before the remaining bee colonies enter Oklahoma.

Requirements for entry into the State of Oklahoma are listed in the Oklahoma Apiary Act, 35:30-38-10 and 35:2-3-26 specifies an entry fee of \$100. Also required is posting of each apiary with the name, address, and phone number of apiary owner on a permanent sign with a minimum of one and one half-inch (1 1/2") high contrasting letters or numbers OR a beekeeper registration fee of \$10.00.

List the destination locations in Oklahoma of all apiaries on the back of this application "Same as last year" is NOT sufficient information.

Enclose a entry permit fee of \$100.00.
