

The Agriculture Building has been closed due to employees testing positive for COVID-19. We are doing the best we can by working remotely from home. Please read this message as it will answer most of your questions.

If you are seeking animal import requirements, please go to www.interstatelivestock.com . You may also look here: <http://www.ag.ok.gov/ais/oair.pdf> .

We only require permits on swine, event cattle, Cervidae, and Mexican cattle. If you are using the electronic CVIs GlobalVetLink or AgView we do not require permits. If you do need a permit we have an online system that you may use. You can learn about it here: <http://www.ag.ok.gov/ais/ops.htm> .

During normal business hours, if you're unable or unwilling to use those options you may call one of the following people and they will do their best to help you.

Rhonda Keener	405-795-1945
Nichole Carrillo	405-522-6124

For Cervidae information please contact Nichole Carrillo at 405-522-6124.

If you have an emergency or a potential foreign animal disease to report, please call Dr. Rod Hall at 580-257-0254.

We apologize for not being able to provide customer service as we would like to, but we are doing the best we can.

Thank you.
