Type of poultry operation

## **Organic Poultry Plan Application**

Please fill out this form if you are requesting organic certification or re-certification of poultry for slaughter or egg production. A separate organic Farm Plan Questionnaire must be filled out if you are growing your own feed or other organic crops for sale. Use additional sheets if necessary. Attachments required with questionnaire: Directions to your farm/ranch operation; farm map showing all poultry houses and outdoor access areas; Outdoor Access/Pasture History Sheet; and water test, if applicable.

Must be incompliance with National Organic Standards 7CFR Part 205 National Organic Program, Final Rule
