Important Definitions:

Handling: possessing or storing industrial hemp for any period of time on premises owned, operated, or controlled by a person licensed to cultivate or process industrial hemp. Handling includes possessing or storing industrial hemp in a vehicle for any period of time other than during its actual transportation from the premises of a licensed person to cultivate or process industrial hemp to the premises of another licensed person.

Key Participant: means a person or persons who have a direct or indirect financial interest in an entity producing hemp, such as an owner or a partner in a partnership. Executive level corporate employees, including chief executive officer, chief operating officer, and chief financial officer shall be considered Key Participants. Management level positions such as farm, field, and shift managers shall not be considered Key Participants.

Processing: means converting industrial hemp into a marketable form, including the production of all derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers.
