Title 2. Agriculture
Chapter 1 – Agricultural Code
Oklahoma Registered Poultry Feeding Operations Act

Section 10-9. Prohibition Against Accepting Certain Applications – Grandfathered Permits.

The Oklahoma Department of Agriculture, Food, and Forestry shall not accept or approve any pending applications requesting permits for registration, construction or expansion of any poultry feeding operation, as defined in Section 10-9.1 of this title, to be located within one (1) mile upstream of the Pensacola Project boundary as described in the records of the Grand River Dam Authority and the Federal Emergency Management Agency. Any such operation authorized or permitted prior to April 17, 2002, shall not be affected by the provisions of this section.

Section 10-9.1. Short Title - Definitions.

- (A) Sections 10-9.1 through 10-9.12 of this title shall be known and may be cited as the "Oklahoma Registered Poultry Feeding Operations Act".
- (B) As used in Sections 10-9.1 through 10-9.23 of this title:
- (1) "Best Management Practices" or "BMPs" means schedules of activities, prohibitions of practices, maintenance procedures, and other management practices which prevent or reduce the pollution of waters of the state as established by the Oklahoma Department of Agriculture, Food, and Forestry pursuant to Section 10-9.7 of this title;
 - (2) "Board" means the State Board of Agriculture;
 - (3) "Certificate" means a written document issued to an individual by the Board pursuant to Section 10-9.17 of this title which indicates that the individual is authorized to land-apply poultry waste by the Oklahoma Poultry Waste Applicators Certification Act;
 - (4) "Certified poultry waste applicator" means a person who has been certified by the Board to land-apply poultry waste and includes a commercial poultry waste applicator and a private poultry waste applicator;
 - (5) "Commercial poultry waste applicator" means any person who engages in commercial land-application of poultry waste. Any farmer while working for a neighbor in agricultural production, and not advertising, nor holding himself or herself out to be in the business of land-applying poultry waste, shall not be classified as a commercial poultry waste applicator, but as a private poultry waste applicator;
 - (6) "Contract growing arrangement" means any growout contract, marketing agreement, or other arrangement under which a contract poultry grower cares for or raises poultry;
 - (7) "Contract poultry grower" means any person engaged in the business of caring for or raising poultry, under a contract growing arrangement;
 - (8) "Common ownership" includes but is not limited to any person who has power or authority to manage, direct, restrict, regulate or oversee the operation or has financial control of two or more poultry feeding operations;
 - (9) "Department" means the Oklahoma Department of Agriculture, Food, and Forestry;

- (10) "Expanding operation" means a registered poultry feeding operation that seeks to increase its registered capacity in excess of ten percent (10%) of the facility's original registered capacity;
- (11) "Facility" means any place, site or location or part thereof where poultry are kept, handled, housed or otherwise maintained including but not limited to buildings, lots, pens, and poultry waste management systems;
- (12) "Integrator" means an entity which unites the elements associated with the poultry industry, including but not limited to hatching, feeding, processing, and marketing. It includes, but is not limited to, situations when growing is contracted out to others and when the integrator operates its own growing facilities;
- (13) "Land-application" means the spreading on, or incorporation into, the soil mantle primarily for beneficial purposes;
- (14) "Nutrient Management Plan" means a written plan that includes a combination of conservation and management practices designed to protect the natural resources of the state as required by the Oklahoma Department of Agriculture, Food, and Forestry pursuant to the provisions of Section 10-9.7 of this title and shall also include a certified nutrient management plan and animal waste management plan;
- (15) "Operator" means the person who performs the daily management functions associated with the poultry feeding operation;
- (16) "Person" means an individual, association, partnership, firm, company, public trust, corporation, joint stock company, trust estate, any other legal entity, or any agent, employee, representative assignor or successor thereof;
- (17) "Nutrient-limited watershed" means a watershed of a water body which is designated as "nutrient-limited" in the most recent Oklahoma Water Quality Standards;
- (18) "Nutrient-vulnerable groundwater" means groundwater which is designated "nutrient-vulnerable" in the most recent Oklahoma Water Quality Standards;
- (19) "Poultry" includes chickens, turkeys, ducks, geese, and any other domesticated bird used for human food and/or animal feed;
- (20) "Poultry feeding operation" means a property or facility where the following conditions are met:
 - (a) poultry have been, are or will be confined and fed or maintained for a total of forty-five (45) days or more in any twelve-month period,
 - (b) crops, vegetation, forage growth or post-harvest residues are not sustained in the normal growing season over any portion of the property or facility, and
 - (c) producing over ten (10) tons of poultry waste per year;
- (21) "Poultry waste" means poultry excrement, poultry carcasses, feed wastes, bedding materials, or any other waste associated with the confinement of poultry from a poultry feeding operation;
- (22) "Poultry waste management system" means a combination of structures and practices serving a poultry feeding operation that provides for the collection, treatment, disposal, distribution, storage, and land-application of poultry waste;

- (23) "Private poultry waste applicator" means any person who is not a commercial poultry waste applicator but engages in the land application of poultry waste for purposes including, but not limited to, producing any agricultural commodity on property owned or rented by the person or such person's employer, or if applied without compensation other than trading of personal services between producers of agricultural commodities, on the property of another person;
- (24) "Waste facility" means any structure or combination of structures utilized to control poultry waste until it can be utilized in an authorized manner; and
- (25) "Waters of the state" means all streams, lakes, ponds, marshes, watercourses, waterways, wells, springs, irrigation systems, drainage systems, storm sewers, and all other bodies or accumulations of water, surface and underground, natural or artificial, public or private, which are contained within, flow through or border upon this state or any portion thereof, and shall include under all circumstances the waters of the United States which are contained within the boundaries of, flow through or border upon this state or any portion thereof. Process wastewaters shall not be considered as waters of the state if contaminated at the site.

Section 10-9.2. Repealed by Laws 2013, c. 118, § 25, eff. Nov. 1, 2013.

Section 10-9.3. Registration Requirement.

- (A) (1) It shall be unlawful for any person to construct or operate a new poultry feeding operation without having first registered with the State Board of Agriculture.
- (2) The owner or operator of a poultry operation not classified as a poultry feeding operation may register if such owner or operator elects to come under the provisions of the Oklahoma Registered Poultry Feeding Operations Act and the rules of the Board.
- (B) Any poultry feeding operation that has a valid license pursuant to the Oklahoma Concentrated Animal Feeding Operations Act shall not be required to register pursuant to the Oklahoma Registered Poultry Feeding Operations Act.

Section 10-9.4. Registration of Poultry Feeding Operation.

- (A) Every poultry feeding operation shall be required to register annually to operate pursuant to the Oklahoma Registered Poultry Feeding Operations Act and rules promulgated pursuant thereto.
- (B) (1) Two or more poultry operations under common ownership are considered, for the purposes of registration, to be a single poultry feeding operation if they adjoin each other or if they use a common waste facility.
- (2) Once the cumulative amount of poultry waste produced by all facilities owned or managed by a person meets or exceeds the amount specified by paragraph 20 of Section 10-9.1 of this title, all poultry feeding operations owned by the person shall be required to become registered.
- (3) After the effective date of this act, any poultry feeding operation shall be required to reregister for any increase in excess of ten percent (10%) of the facility's original registered capacity.

Section 10-9.5. Application to Register or Expand Poultry Operation – Educational Credits.

- (A) The State Board of Agriculture shall provide the necessary forms and applications for any person desiring or required to register a poultry feeding operation or expanding operation.
- (B) The application to register to operate a new or previously unregistered poultry feeding operation or expanding operation shall be under oath and shall contain, at a minimum, the following information:
- (1) Name and address of the owner and operator of the facility;
 - (2) Name and address of the poultry feeding operation;
 - (3) Number and type of poultry housed or confined;
 - (4) Name and address of the integrator whose poultry will be raised by the poultry feeding operation;
 - (5) A diagram or map and legal description showing geographical location of the facility on which the perimeters of the facility are designated, location of waters of the state, including, but not limited to, drainage from the facility, poultry waste storage facilities, and land-application sites owned or leased by the applicant or which the applicant has contracted with for the application of poultry waste;
 - (6) A copy of the Nutrient Management Plan, or proof of application for such plan, Best Management Practices or any other plans authorized by the Oklahoma Department of Agriculture, Food, and Forestry;
 - (7) A statement of ownership.
 - (a) If the applicant is a corporation, the name and address of the corporation and the name and address of each officer and registered agent of the corporation shall be included in the application.
 - (b) If the applicant is a partnership or other legal entity, the name and address of each partner and stockholder with an ownership interest of ten percent (10%) or more shall be included in the statement.
 - (c) The information contained in the statement of ownership shall be public information and shall be available upon request from the Board;
 - (8) The name and address of the person having day-to-day control of the operation, if such person is not the applicant and is acting as agent for the applicant;
 - (9) An environmental history from the past three (3) years of any poultry feeding operation established and operated by the applicant or any other operation with common ownership in this state or any other state;
 - (10) Environmental awards or citations received or pollution prevention or voluntary remediation efforts undertaken by the applicant; and
 - (11) Any other information or records required by the Department for purposes of implementing the Oklahoma Registered Poultry Feeding Operations Act or rules promulgated pursuant thereto.
- (C) In addition to other penalties as may be imposed by law, any person who knowingly makes any false statement, representation, or certification in, omits material data from, or tampers with any application for registration shall, upon conviction, be guilty of a misdemeanor and may be subject to a fine of not more than Ten Thousand Dollars (\$10,000.00) for each such violation.

- (D) The owner of a poultry feeding operation shall be responsible for sending written notification to the Department upon changing integrators.
 - (E) For a transfer of registration to a new owner, the new owner shall register the operation pursuant to the rules of the Department.
 - (F) (1) All operators of poultry feeding operations and poultry waste applicators shall attend educational courses on poultry waste handling. All such operators and applicators shall attend educational training on poultry waste management as provided by Oklahoma State University through the Oklahoma Cooperative Extension Service. All current and new operators and applicators shall receive the initial nine (9) hours of training in the first year and two (2) hours of continuing education every year until the operator or applicator has received a total of nineteen (19) hours of training. Any operator or applicator may attend more hours than is required, however, those hours shall not be carried forward. Upon receiving the nineteen (19) required hours, the operator or applicator shall be required to receive two (2) hours of continuing education every three (3) years. The Oklahoma Cooperative Extension Service shall develop the educational training course to aid in certification. Curricula for the training course will include the Oklahoma Cooperative Extension Service Waste Management Facts series and record books or their current equivalent. Courses for poultry waste management shall include the following topics:
 - (a) environmental process relevant to protecting water quality in poultry production,
 - (b) basic handling systems to manage poultry waste from all types of poultry operations,
 - (c) nutrient management, including sampling procedures, application rate determination, equipment calibration, and record-keeping systems,
 - (d) relevant laws and rules applicable to poultry waste management in the State of Oklahoma, and
 - (e) any other related subject as determined by Oklahoma State University in consultation with the Department.
 - (2) At the completion of each course, the operator or applicator shall receive a certification verifying completion. The certificates shall be kept on site for five (5) years.
 - (3) Failure to obtain the initial nine-hour training and any continuing education as provided in this subsection shall be deemed a violation of the Oklahoma Registered Poultry Feeding Operations Act for operators and the Oklahoma Poultry Waste Applicators Certification Act for applicators.
 - (4) All operators or applicators shall meet the educational requirements of this section no later than December 31 of each year.
- (G) No integrator shall enter into any contract with an operator of a poultry feeding operation who is not in compliance with the education requirements of subsection F of this section.

Section 10-9.6. Poultry Waste Education Revolving Fund.

- (A) There is hereby created in the State Treasury a revolving fund for the Oklahoma Department of Agriculture, Food, and Forestry to be designated the "Poultry Waste Education Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all monies donated to the fund, and any other monies deposited in the fund pursuant to law.

- (B) All monies accruing to the credit of the fund are hereby appropriated and may be budgeted and expended by the Oklahoma Department of Agriculture, Food, and Forestry to contract with Oklahoma State University to provide the educational courses required by the Oklahoma Poultry Waste Applicators Certification Act.
- (C) Expenditures from the fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.

Section 10-9.7. Best Management Practices – Requirement of Nutrient Management Plan.

- (A) All poultry feeding operations shall utilize Best Management Practices and shall meet the conditions and requirements established by subsection B of this section and by rules promulgated by the State Board of Agriculture pursuant to the Oklahoma Registered Poultry Feeding Operations Act.
- (B) The criteria for Best Management Practices shall be promulgated by rules by the Board and shall include, but not be limited to, the following:
 - (1) There shall be no discharge of poultry waste to waters of the state;
 - (2) Stored poultry waste shall be isolated from outside surface drainage by covers, ditches, dikes, berms, terraces or other such structures;
 - (3) No waters of the state shall come into direct contact with the poultry confined on the poultry feeding operation;
 - (4) Poultry waste handling, treatment, management, and removal shall:
 - (a) not create an environmental or a public health hazard,
 - (b) not result in the contamination of waters of the state, and
 - (c) conform to such other handling, treatment and management and removal requirements deemed necessary by the Oklahoma Department of Agriculture, Food, and Forestry to implement the Oklahoma Registered Poultry Feeding Operations Act and rules promulgated pursuant thereto.

The rules promulgated by the Board pursuant to this section shall provide for exceptions to the storage requirements for poultry waste in emergency situations. Such exceptions shall include but not be limited to allowing a contract poultry grower to take such actions as are necessary to meet requirements imposed on a grower by an integrator. In such situations growers shall be required to take all actions feasible to prevent pollution from stored poultry waste.

- (C) Every poultry feeding operation shall have a Nutrient Management Plan which shall include at a minimum:
 - (1) A description of poultry waste handling procedures and availability of equipment and type of equipment to be used;
 - (2) The calculations and assumptions used for determining if land application is applicable;
 - (3) All nutrient analysis data for soil and poultry waste testing;
 - (4) Legal description of lands to be used by an operation for land application;

- (5) Land-application rates of poultry waste shall be based on the available nitrogen and phosphorous content of the poultry waste and shall provide controls for runoff and erosion as appropriate for site conditions;
 - (6) The procedures documented in the Nutrient Management Plan shall ensure that the handling and utilization of poultry waste complies with the following requirements:
 - (a) adequate poultry waste storage shall be provided consistent with rules promulgated by the Oklahoma Department of Agriculture, Food, and Forestry pursuant to subsection B of this section,
 - (b) poultry waste shall not be applied to land when the ground is saturated or during rainfall events. Poultry waste shall not be applied to land when the ground is frozen except in conformance with the Nutrient Management Plan,
 - (c) poultry waste shall only be applied to suitable land at appropriate times and rates. Discharge or runoff of waste from the application site is prohibited. Timing and rate of applications shall be based on assimilation capacity of the soil profile, assuming usual nutrient losses, expected precipitation, and soil conditions, and
 - (d) poultry waste application shall be prohibited on land subject to excessive erosion;
 - (7) Records shall be maintained of all poultry wastes applied on land owned or controlled by the operator, and sold or given to other persons:
 - (a) if the poultry waste is sold or given to other persons for land application or other use, the poultry feeding operation shall maintain a log of: date of removal from the poultry feeding operation; name of recipient the poultry waste is sold or given to; and amount in wet tons, dry tons or cubic yards of poultry waste removed from the poultry feeding operation, and
 - (b) the poultry feeding operation shall make available to the recipient any nutrient sample analysis from that year;
 - (8) Any analysis required by the provisions of the Oklahoma Registered Poultry Feeding Operations Act or rules promulgated thereto shall be performed by a qualified environmental testing laboratory certified by the Department of Environmental Quality and approved by the Oklahoma Department of Agriculture, Food, and Forestry; and
 - (9) Such other information deemed necessary by the Oklahoma Department of Agriculture, Food, and Forestry to administer the provisions of the Oklahoma Registered Poultry Feeding Operations Act and rules promulgated pursuant thereto.
- (D) 1. The Nutrient Management Plan for new or expanding poultry feeding operations submitted after the effective date of this act shall be prepared by the operator or designee of the operator.
2. After the plan is submitted to the Oklahoma Department of Agriculture, Food, and Forestry for review and approval if the Department determines that a submitted plan needs or requires any corrections or modifications, the Department shall return the Nutrient Management Plan to the operator for corrections.
3. For a renewal, if the Department determines the Nutrient Management Plan needs or requires corrections or modifications, the Department shall make any and all appropriate corrections, approve the plan and notify the poultry feeding operation of the modifications.

- (E) 1. Except as otherwise provided in this subsection, a Nutrient Management Plan for every poultry feeding operation shall be renewed and an updated plan shall be submitted to the Oklahoma Department of Agriculture, Food, and Forestry every six (6) years from the date the initial or previous plan was submitted.
2. The operator shall have the option to submit the renewed or updated plan through the Department's website or a printable online form designed by the Department.
3. A current operator may submit a one-page amendment to the most recently submitted plan in lieu of a renewal plan through the Department's website, if applicable. Poultry feeding operations submitting an amendment pursuant to this subsection shall still be subject to the soil and poultry waste testing requirements under subsections F and G of this section. The amendment shall contain the following statements:
- a. no changes in the waster utilization standards have occurred since the most recently submitted Nutrient Management Plan,
 - b. there has been no change to the number of poultry housed since the most recently submitted Nutrient Management Plan,
 - c. there has been no expansion in the poultry feeding operation since the most recently submitted Nutrient Management Plan, and
 - d. the entirety of the poultry waste is:
 - (1) removed off-site as provided in the poultry feeding operation's annual report, as required by subsection J of this section, and will continue to be removed off-site for the next six (6) years, or
 - (2) land-applied and will continue to be land-applied for the next six (6) years.
- (F) Every poultry feeding operation located in a non-nutrient-limited watershed and non-nutrient-vulnerable groundwaters shall perform soil testing on each land-application area and poultry waste testing at least once every three (3) years to determine:
- (1) Soil pH and plant-available nutrients including, at a minimum, nitrogen, phosphorous and potassium;
 - (2) Poultry waste nutrient concentrations and moisture; and
 - (3) Application rate based upon current United States Department of Agriculture Natural Resources Conservation Service Waste Utilization Standards, unless the Oklahoma Department of Agriculture, Food, and Forestry approves other standards.
- (G) Every poultry feeding operation located in a nutrient-limited watershed and nutrient-vulnerable groundwater shall perform an annual soil test on each land-application area prior to the first application of the calendar year. Poultry waste testing shall be performed annually prior to the first application of the calendar year. Soil and poultry waste testing shall be performed to determine:
- (1) Soil pH and plant-available nutrients including at least nitrogen, phosphorous and potassium;
 - (2) Poultry waste nutrient concentrations and moisture; and
 - (3) Application rate based upon current United States Department of Agriculture Natural Resources Conservation Service Waste Utilization Standards, unless the Oklahoma Department of Agriculture, Food, and Forestry approves other standards.

- (H) (1) Soil and poultry waste analysis data shall be retained by the poultry feeding operation for a minimum of six (6) years.
- (2) All soil and poultry waste analysis data shall be dated prior to land application.
- (I) (1) Poultry feeding operations shall develop a plan for the disposal of carcasses associated with normal mortality.
- (2) In the event there is an outbreak of a major disease or other emergency resulting in deaths significantly higher than normal mortality rates, the Oklahoma Department of Agriculture, Food, and Forestry may approve, in writing, an alternate method of disposal of carcasses or the storage of poultry waste during the emergency period.
- (J) Every poultry feeding operation shall file by September 1 of each year an annual report with the Department regarding all poultry waste removed from or land-applied by the facility for the period from July 1 of the previous year through June 30 of that year. The report shall contain the following information:
 - (1) The date and amount of poultry waste removed from or land-applied at the facility;
 - (2) The type of poultry waste removed or land-applied, whether a cake out, full clean out, in-house windrow or compost, poultry waste stack shed, or other type;
 - (3) The county and, if applicable, the name of the Nutrient Limited Watershed where the poultry waste was produced; and
 - (4) The location where the poultry waste is removed to:
 - (a) if land-applied on site, provide the following:
 - (1) the date of the land application,
 - (2) the total amount of poultry waste land-applied in wet tons, dry tons, or cubic yards,
 - (3) the name, mailing address, and telephone number of the poultry waste applicator, and
 - (4) the number of acres under the control of the poultry feeding operation for land application of poultry waste, or
 - (b) if removed off site, provide the following:
 - (1) the date of the removal off site,
 - (2) the amount of poultry waste removed in wet tons, dry tons, or cubic yards,
 - (3) the name, mailing address, and telephone number of the person the poultry waste is sold or transferred to,
 - (4) the name, mailing address, telephone number, and poultry waste applicator license number of the poultry waste applicator, if known, and
 - (5) the name, mailing address, and telephone number of the hauler of the poultry waste.

Section 10-9.8. Annual Registration Fee.

Every application shall be accompanied by an annual registration fee of Ten Dollars (\$10.00), which is nonrefundable. All such fees shall be deposited in the Agriculture Regulation Revolving Fund created in Section 10-9.24 of this title to be used for the purpose of implementing the provisions of the Oklahoma Registered Poultry Feeding Operations Act and the Oklahoma Poultry Waste Applicators Certification Act.

Section 10-9.8a. Restrictions on Location of Certain Poultry Feeding Operations.

On and after the effective date of this act:

- (1) No new or expanding poultry feeding operations, operated by entities prohibited in Section 951 of Title 18 of the Oklahoma Statutes including but not limited to entities operating as prescribed by Section 954 of Title 18 of the Oklahoma Statutes, shall be constructed within a one-hundred-year flood plain; and
- (2) No new or expanding poultry feeding operations, operated by entities prohibited in Section 951 of Title 18 of the Oklahoma Statutes including but not limited to entities operating as prescribed by Section 954 of Title 18 of the Oklahoma Statutes, shall be constructed within the following minimum buffer areas:
 - (a) one and one-half (1 1/2) miles of the high water mark of a surface public water supply if the poultry feeding operation is located within the watershed for the public water supply,
 - (b) one (1) mile of any designated scenic river area as specified by the Scenic Rivers Act,
 - (c) one (1) mile of a public drinking water well, and
 - (d) one (1) mile of a water body specified as Outstanding Resource Waters that has recreational or ecological significance as outlined by the most current Water Quality Standards promulgated by the Oklahoma Water Resources Board.

Section 10-9.9. Power to Designate Poultry Feeding Operation as Concentrated Animal Feeding Operation.

- (A) In addition to the authority of the State Board of Agriculture to make designations of a concentrated animal feeding operation pursuant to Section 20-44 of this title, the Board shall have the power to designate a poultry feeding operation as a concentrated animal feeding operation as defined by Section 20-41 of this title subject to the provisions of the Oklahoma Concentrated Animal Feeding Operations Act after an administrative determination that an operation has violated or is unwilling to comply with any of the provisions of the Oklahoma Registered Poultry Feeding Operations Act, or any rule promulgated pursuant thereto whether or not the Oklahoma Department of Agriculture, Food, and Forestry determines the registered poultry feeding operation to be a significant contributor of pollution to waters of this state.
- (B) In order to protect the public health and safety and the environment of this state, the Board, pursuant to the Oklahoma Registered Poultry Feeding Operations Act, may require application for a concentrated animal feeding operation license to establish and operate a poultry feeding operation on and after the effective date of this act to any person or other legal entity which:
 - (1) Is not in substantial compliance with a final agency order or any final order or judgment of a court of record secured by any state or federal agency relating to poultry feeding operations; or
 - (2) Has evidenced a reckless disregard for the protection of the public and the environment as demonstrated by a history of noncompliance with environmental laws and rules resulting in endangerment of human health or the environment.

- (C) Any action taken in regard to the denial, suspension or revocation of a license shall be in conformity with the rules of the Board governing administrative procedures and with the Administrative Procedures Act.
- (D) The Board shall promulgate rules which will provide a procedure whereby any poultry feeding operation which has been designated a concentrated animal feeding operation pursuant to this section may have such designation removed. The rules shall require satisfactory evidence that such designation is no longer necessary in order to ensure that the operation will comply with all provisions of the Oklahoma Registered Poultry Feeding Operations Act and will not contribute to pollution of the waters of this state.

Section 10-9.10. Investigation of Complaints.

- (A) (1) (a) The State Board of Agriculture or its authorized agents are empowered to enter upon the premises of any poultry feeding operation for the purpose of investigating complaints as to the operation or to determine whether there are any violations of the Oklahoma Registered Poultry Feeding Operations Act.
 - (b) This section shall not be construed to authorize the Board or its agents to violate any provision of the United States Constitution or the Oklahoma Constitution relating to unlawful search or seizure.
- (2) (a) Registration of a poultry feeding operation pursuant to the Oklahoma Registered Poultry Feeding Operations Act shall be deemed to constitute consent for entry upon the premises of such operation by the Board or its agents for the purpose of implementing the provisions of this subsection.
 - (b) The Oklahoma Department of Agriculture, Food, and Forestry shall make at least one inspection per calendar year of every poultry feeding operation registered pursuant to the Oklahoma Registered Poultry Feeding Operations Act.
- (B) (1) The Board shall promulgate standard precautions for the prevention of the transmission of communicable diseases to humans and animals to be used by employees of the Department when inspecting poultry feeding operations pursuant to their official duties specified by the Oklahoma Registered Poultry Feeding Operations Act and rules promulgated pursuant thereto.
 - (2) Except for emergency situations or when enforcement of the provisions of the Oklahoma Registered Poultry Feeding Operations Act requires the use of the standard precautions as promulgated by the Board pursuant to paragraph 1 of this subsection, Department employees shall observe the health standards and sanitary requirements of the facility.
- (C) The Board shall maintain necessary records and undertake such studies, investigations and surveys for the proper administration of the Oklahoma Registered Poultry Feeding Operations Act.

Section 10-9.11. Penalties for Violations.

- (A) (1) Any person violating the provisions of the Oklahoma Registered Poultry Feeding Operations Act shall, upon conviction, be guilty of a misdemeanor and may be punished by a fine not to exceed Two Hundred Dollars (\$200.00).

- (2) The Attorney General or the district attorney of the appropriate district court of Oklahoma may bring an action in a court of competent jurisdiction for the prosecution of a violation by any person of a provision of the Oklahoma Registered Poultry Feeding Operations Act or any rule promulgated thereunder.
- (B) (1) In addition to the criminal penalties specified by this section, the Oklahoma Department of Agriculture, Food, and Forestry may:
 - (a) assess an administrative penalty of not more than Two Hundred Dollars (\$200.00) per day of noncompliance, or
 - (b) bring an action for injunctive relief granted by a district court.
- (2) A district court may grant injunctive relief to prevent a violation of, or to compel compliance with, any of the provisions of the Oklahoma Registered Poultry Feeding Operations Act or any rule promulgated thereunder or order, registrations and certificates issued pursuant to the Oklahoma Registered Poultry Feeding Operations Act.
- (3) Nothing in this section shall preclude the Department from seeking penalties in district court in the maximum amount allowed by law. The assessment of penalties in an administrative enforcement proceeding shall not prevent the subsequent assessment by a court of the maximum criminal penalties for violations of the Oklahoma Registered Poultry Feeding Operations Act.
- (4) Any person assessed an administrative penalty may be required to pay, in addition to such penalty amount and interest thereon, attorney fees and costs associated with the collection of such penalties.
- (C) (1) Any action for injunctive relief to redress or restrain a violation by any person of the Oklahoma Registered Poultry Feeding Operations Act, or for any rule promulgated thereunder, or order issued pursuant thereto, or recovery of any administrative penalty assessed pursuant to the Oklahoma Registered Poultry Feeding Operations Act may be brought by:
 - (a) the district attorney of the appropriate district court of the State of Oklahoma,
 - (b) the Attorney General on behalf of the State of Oklahoma, or
 - (c) the Department on behalf of the State of Oklahoma.
- (2) The court shall have jurisdiction to determine the action, and to grant the necessary or appropriate relief, including but not limited to mandatory or prohibitive injunctive relief, interim equitable relief, and punitive damages.
- (3) It shall be the duty of the Attorney General and district attorney if requested by the Commissioner of Agriculture to bring such actions.
- (D) Except as otherwise provided by law, administrative and civil penalties shall be paid into the State Department of Agriculture Regulation Revolving Fund.
- (E) For the purposes of the Oklahoma Registered Poultry Feeding Operations Act, each day upon which a violation is committed or is permitted to continue shall be deemed a separate offense.
- (F) Any contract poultry grower determined after notice and opportunity for a hearing by the Department as flagrantly disregarding Best Management Practices shall result in the Department notifying the integrator in writing.

- (G) The Department shall notify all integrators of any violations assessed against an operator who is under a contract growing arrangement with that integrator and, upon the written request of the integrator, notify that integrator of all violations assessed an operator with whom the integrator contemplates entering into a contract.
- (H) In addition to other penalties as may be imposed by law, any person who knowingly makes any false statement, representation or certification form, notice or report, or who knowingly renders inaccurate any monitoring device or method required to be maintained by any rule promulgated by the Board, shall, upon conviction, be guilty of a misdemeanor and may be subject to a fine of not more than Five Thousand Dollars (\$5,000.00) for each such violation.

Section 10-9.12. Promulgation of Rules for Administration of Act.

- (A) The State Board of Agriculture shall promulgate rules for the administration, implementation, and enforcement of the Oklahoma Registered Poultry Feeding Operations Act.
- (B) For the performance of its duties and responsibilities, the Board is authorized to employ such personnel and agents as may be required within the funds available.
