

State of Oklahoma
Pesticide Registration
Effective on November 1, 2017
\$210/product
Every Product Label Must Be Registered

PESTICIDE REGISTRATION REQUIRED:

Every pesticide, 25(b) product or device distributed, sold, or offered for sale within the state of Oklahoma or delivered for transportation or transported in intrastate or interstate commerce shall be registered with Oklahoma Dept. of Agriculture, Food, & Forestry.

All pesticide registrations shall be issued for a period of one (1) year. The registration shall be renewed annually and shall expire on a date to be determined by the Board. Pesticide registrations may be renewed for the ensuing year, without penalty, if a properly completed application is filed with the Board not later than the fifteenth day of the month first following the date of expiration. If the application is not received by that date, a penalty of twice the amount of the renewal fee shall be charged for renewal of the pesticide registration.

Companies Which Start with:

*****All labels and SDS must be submitted in PDF format, ensure each file document is labeled with EPA Reg. # and name of the product with no commas. Each label and SDS needs to be a separate document.***

25(b) Products: MUST BE REGISTERED. \$210/label – Submit a label and SDS. If a product makes a pesticidal claim, it must be registered.

Devices: MUST BE REGISTERED. \$210/label – Submit a label and SDS (if applicable). The label should have an EPA Establishment Number.

24(c)/SLN: Must be registered each year. They **do not** automatically renew.

For EUPs: A complete copy of the use plan and label must be submitted along with the contact information of the person responsible in Oklahoma. There are no fees for Section 18's or EUPs that are not for sale.

It is preferred to use Kelly Registration System www.kellysolutions.com/renewals/newreg/ for initial registrations and renewals for a timely process and approval. Please note that a convenience fee is collected by Kelly Solutions.

The State of Oklahoma subscribes to KRS - <http://www.kellysolutions.com/>. There is no charge to go to the web and review information to verify that your products have been registered.
