

## 2026 Poultry Tester Class Schedule

The Oklahoma Department of Agriculture, Food & Forestry, Animal Industry Services, will host several poultry tester classes this year.

The minimum age to become a Certified Poultry Tester is 16. Individuals will receive training on testing poultry for Pullorum/Typhoid for National Poultry Improvement Plan participation and to enter poultry shows and/or fairs. We are also certifying testers to be able to process Avian Influenza Swabs and how to submit them to the appropriate lab for testing.

Things to note before you attend the course:

- **Non-refundable registration fee is \$25.00**
- **Three-year certificate fee is \$30.00**
- **Exact change of \$30.00 will be required the day of the test as there is no cashier available**  
(preferred check, money order, or credit card payments)
- **Application form will be required to complete & sign**
- **All new applicants will be required to bring 2 of their own birds to perform a practice test after the exam is complete for certification**
- **Quarantine your birds once you return home for a minimum of 3-4 weeks**
- **All supplies needed to practice test the date of training will be supplied. Any personal supplies for the future will not be available. However, there will be a Supply Order form to complete to be shipped later**

If you have any questions, please call Sherrie Davis - 405-522-6139.

**Please RSVP by 4:00 p.m. the Monday before the class you are attending by registering through our website at <https://ag.ok.gov/licensing-permits/>**
