

Farmers Market Price Report Edmond Farmers Market

August

2026

Market Comment: It was a warm August morning. The farmers market was very active and the demand was great. The producers of fruits and vegetables wish they had more produce, with drought and very little rain the crop has been short this year. The bee is year are having a hard time to find food due to the drought covering Oklahoma. They all continue to do to their best to get the food to the customers.
